## A LARGE CROWD

Of Wheeling Republicans Sure to Go to Canton To-day.

### THE OHIO COUNTY CLUB'S TRAIN

Will Carry the Largest Local Delegation, Though the LaSalle Crowd Will Also be Large—There will be No Reduction of Rates, as was Thought Probable—Will Leave Promptly at 3 O'Clock—Captain Dwyer to Accompany the Party.

To-day West Virginia will greet Major McKinley at his Canton home and congratulate him upon his nomination for President.

Two special trains from Wheeling.

Are you going?

If not, why not?

The Ohio County Republican Club's train on the Cleveland, Lorain & Wheeling road will leave the Terminal passenger station promptly at 2 p. m., and stops will be made at Martin's Ferry and Bridgeport for the Aetna mill workers, who will join the party in large numbers. The train will be made up of ten or twelve coaches and there will be no crowding. The trip will be made in about three hours. General Agent A. P. O'Leary and General Passenger Agent Carrol of the railroad, will accompany the party and see to the comfort of the excursionists.

It is certain that the crowd will come up to expectation as there has never before been such interest in an excursion out of Wheeling. On account of the Saturday half holiday there will be a large delegation of young Republicans and Democrats, too—from the Main street wholesale district. As the tickets on the railroad are good for return on Sunday, many will stay over in Canton and at Myer's Lake.

On the arrival at Canton the Ohio County Club will form and, headed by the Liberty band, will march to Major McKinley's home, where the delegation will be introduced by Congressman Dwyer, who will go with the posse on the trip. The Ohio man will respond to the good wishes of his West Virginia neighbors in a brief speech. After the demonstration at the McKinley home, the West Virginia visitors will have plenty of time to take a peep at Canton and some of its pretty surroundings, including the summer resort, Myer's Lake. The Cleveland, Lorain & Wheeling special train of the Ohio County Republican Club will leave on the return about 9:30 p. m. and should arrive here at 1 o'clock Sunday morning, or somewhat earlier. The impression that a rate lower than \$1.00 would be announced, is without foundation. The rate on the Wheeling & Lake Erie is the same given the Ohio County Republican Club by the Cleveland, Lorain & Wheeling road. On both roads tickets are good for return on Sunday. Superintendent P. Bruner, of Uhrichsville, and Master of Transportation W.

R. Romoser, of Cleveland, arrived last night to assist in handling the two excursion trains on the Cleveland, Lorain & Wheeling road this afternoon.

### THE RATIFICATION MEETING

Of the Ohio County Republican Club Next Wednesday Evening.

The Republican ratification meeting over the nomination of the Hon. William McKinley, of North America, for President, will occur next Wednesday night, June 24. The Grand Opera house has been secured for the occasion and plenty of music and enthusiasm will be provided. The programme, which has not yet been completed, will consist of national and local Republicans. Among those from abroad who have been invited to be present are Hon. William A. Stone and Hon. John Dalzell, of Pittsburgh, and Hon. Lorenzo Danford, of St. Clairsville. Large numbers of out-of-town Republicans will be present and the meeting will be one to do honor to the nominee and the party.

### SOUTHWEST OIL NEWS.

The Bullman Gusher Doing 100 Barrels an Hour—Other Wells.

The Devonian Oil Company's No. 4, Stealy, in the Bullman pool, near Wick, Tyler county, is flowing at the rate of 100 barrels an hour. One report placed the production higher but the above estimate is probably correct. The same company shot its No. 2, Bullman, and increased the production to forty-five barrels an hour.

It is a generally recognized fact that the Bullman pool is showing up better than any Big Inch development in West Virginia. There is a good reason for thinking the pool can be extended a considerable distance beyond its present producing limits.

Cravings have drifted through the sand at their wildcat on the Weight farm, on Little Flint, Doddridge county, and have a duster. This is an important test and its coming in dry is no small disappointment. South of Waverly the Ogden Berea Grit pool got its black eye Thursday, when Beatty & Co. drilled in their well on the Richardson, located one and one-half miles south of the Ogden pool, nearly a mile east of a forty-five degree southwest line from the center of developments.

### Oil at Dillie's Bottom.

Considerable interest is being taken in the development of the Ohio side territory, opposite Moundsville, for oil. The land is all under lease and prospecting will soon be under way. The territory is thought to give promise of successful operation. A well is drilling on the farm of Charles Thompson and two additional locations have been made on the same tract.

The Standard has several leases in this vicinity and contemplates an exhaustive test of the possibilities of this region as a producer of the greasy fluid.

### IN CLERK HOOK'S OFFICE

Deeds Recorded, Marriage Licenses Issued and Other Transactions.

Clerk Hook received for record a deed made June 1, 1896, by Augusta Schroeder and Henry L. Schroeder, her husband, to Anna Carney, for the east half of lot No. 19, A., division D., Caldwell's addition to the city of Wheeling. Consideration \$1,400.

### The Musical Event.

All who are fond of music, fond of its sympathetic interpretation should not fail to secure tickets for the concert at the Wheeling Park Casino by the Grand Army band, of Ohio, with Mr. Leo Zimmerman, trombone soloist. The popular local artists, Miss Mamie Grubb, Mrs. Milton L. Hanauer, soprano; and Mr. H. W. Hughes, basso, will not only add interest but enjoyment to the evening's entertainment. Seats are on sale at House's music store.

### Hear this in Mind.

That to secure free transportation to the park on the occasion of the Elks outing, June 25, tickets must be purchased in the city. Seats can be secured without extra charge at House's music store. There are a few good localities left.

### THE SHERRARD ROBBERY.

Preliminary Hearing of "Bub" Walton was Held Yesterday Afternoon.

The preliminary hearing of Robert, alias "Bub" Walton, of Martin's Ferry, charged with burglarizing the postoffice at Sherrard, was held before the United States commissioner at the custom house yesterday afternoon.

On the night of May 25 the store of Mr. Geisler and the postoffice at Sherrard was broken into and looted of valuables to the extent of \$150. The postoffice authorities went to work on the case and as a result of their efforts Walton was arrested last Saturday. He has borne a rather shady reputation in the past, and the testimony, while not completed, is damaging.

The case attracted a large number of witnesses from Sherrard and Martin's Ferry, and as it was impossible to hear all the evidence in the case yesterday, the trial was postponed until to-day. It is thought Walton is a member of the gang which has recently committed several robberies in this vicinity, and the success of the authorities in breaking up the organization is quite a brilliant feat.

### The Supreme Court.

The state supreme court, at its session yesterday, heard the appeal of the town of McMechen in a suit for injunction over a strip of territory lying between that municipality and Benwood. Before the lower court the Benwood authorities were recognized as the legal claimant to the territory in dispute. McMechen brought in a plea of priority of occupancy and asked the annulment of the circuit court's finding. McMechen was represented by Col. W. W. Arnett, while Caldwell & Caldwell looked after the interests of Benwood. After arguments, the case was submitted.

The following attorneys were admitted to practice in this court: Joseph Handlan, of Wheeling, on motion of Col. Arnett; W. K. Cowden, of Huntington, on motion of Attorney Hogg; R. A. Powelson, of Dresden, O., also by Hogg; and J. W. Davis, of Clarksburg, on motion by M. D. Post.

The docket for the seventh judicial circuit was called up and disposed of as follows: P. W. Morgan, vs. R. A. Morgan et al., Jackson county, submitted. H. C. Mays, administrator, vs. Ohio River Railroad, Mason county, continued until September. Baer's Sons' Grocer Co. vs. N. B. Williams et al., Mason county, certiorari awarded and cause continued. State vs. David Boyer, Mason county, continued until September. J. H. Grogan vs. F. H. F. Ebert & Co., Kanawha county, submitted. C. C. Miller vs. J. T. Clendenin et al., Mason county, submitted.
